### **"My favourite person in my family"**

I love all my family, but my father is the person I like most. He works hard. He buys new clothes for me every month. He gives me money every day to buy what I need. His life is busy, but he spends much time with me studying new lessons. I love him so much. When I find a problem, I discuss it with him. He encourages me so much. He is my hero.

### **"My favourite subject"**

My favourite subject is English. I have English every day at school. My English teacher is Mr Ayman. He is very kind. He helps me a lot. I have an English test weekly. I always get the full mark. I like watching English films on TV. I also borrow some English books from the library. That helps me improve my language a lot. I hope to travel to England to speak English well.

### **"How children go to school"**

Children go to school in different ways. Some children live near their schools so they walk to school. Some children live a long way from their school. They go to school by car, bus or train. Cycling is a healthy and cheap way to get to school. Many children like to cycle to school. Some children live in cold places. They go to school on a snowmobile when there is a lot of snow.

### **"A day in my life"**

I get up at 6 o'clock in the morning every day. I wash my face and have breakfast. I go to school by bus. I have six lessons a day. I come back home at 2:30 p.m. in the afternoon. I do my homework in the evening. I watch TV with my family at weekends. Sometimes, we go to the park and play on Saturdays. I go to bed early. That helps me to get up early.
