

IMPORTANT NOTES BEFORE YOU GET STARTED

- To fast track your way around the PLR package, please make sure you've downloaded and read the bonus [Quickstart Guide](#).
- The “**Private Label Rights**” folder is available for YOU only if you had bought it directly from Aurelius Tjin - www.UnstoppablePLR.com. It contains all the editable files if you would like to customize the product. This folder must NOT be provided to your customers as they do not hold a PLR license.
- The “**Folder Organization When Reselling**” folder are the files/zip files for when you resell this product. This folder does not contain the source files for modification. It is to demonstrate what files can be provided to your customers based on the level of license you sell to them i.e. – Master Resell Rights, Resell Rights or Personal Us.
- Again, you may NOT supply any editable source files in the 'Private Label Rights' folder. This includes .DOC and .PSD Photoshop files, with the exception of the articles and email swipes provided.

Full terms and rights are explained in the provided **PLR-license** PDF file.
