Emergency Care Team Funds Increase

Whereas: The Texas A&M Emergency Care Team (hereinafter referred to as "TAMECT") is the primary source for providing medics and first aid care to many events around campus; and,

Whereas: The only major source of funds for this organization's operations comes from a donation from the Athletics Department in the amount of \$5,500, and this donation is meant to sustain the organization for the entire school year; and,

Whereas: The TAMECT used large percentages of its funds to keep the Aggie family healthy and the 12th Man standing during the extreme heat of the game against SMU; and,

Whereas: Texas A&M's response to both Hurricanes Katrina and Rita at Reed Arena and the increase in heat-related illnesses at various sporting and other events around campus has forced TAMECT to use an increased number of supplies and resources in the very early portion of this year; and,

Whereas: TAMECT also voluntarily provides a majority of the medical support to Corps of Cadets events during the year, with no additional funding coming from the Corps;

Therefore

Let it be

Resolved:

That the Texas A&M Student Senate is supportive of a proposal to the Athletics Department and Corps of Cadets to increase funds provided to TAMECT; and,

Let it be

Further

Resolved:

That this increase in funds will solely be the responsibility of the Athletics Department and the Corps of Cadets, and this increase will not be passed on to the student body through Student Service Fees or otherwise.
