Hi Ragab,  
I am very sorry that I didn't come to your house yesterday. I'll tell you why. I left home to catch the bus at four o'clock. The bus broke down and did not arrive, so I waited for the next one, which was at half past four. The bus arrived, but before I got on the bus, an old man came out of a shop. He was carrying some heavy bags. The bus driver told me to help him with his bags. He thought that the man wanted to get on the bus. I offered to help him, but he asked me to carry the bags to his car. I carried his bags and put them in his car boot. I did not catch the bus at half past four. I was too late to go to your house so I didn't wait for the five o'clock bus. I was not happy when I got home, but my father told me that I was kind to help the old man.

Best wishes,

Mars has been studied for hundreds of years. Astronomers say that it is the planet which is most like the earth. A day on Mars is nearly the same as it is on earth. **It** lasts for 24 hours and 39 minutes. However, a year lasts for

one year and 320 days, so a year on Mars is almost twice as long as a year on earth. If you looked at Mars through a telescope, you might see a very big mountain. It is more than 20 kilometres high. That is three times as big as Everest! Scientists say that if you went to Mars, you might find water under the surface. However, living on Mars would not be easy. In summer, the temperature is usually minus 5°C and in winter, it can be minus 82°C!

### A) Answer these questions:

**6) Read the following, then answer the questions:**

If you go to some places in Asia, you might see some amazing snakes which can fly! Scientists have asked why they do this. The answer is that it is easier for the snakes to travel this way because they live in an area full of tall trees.

If they didn't fly, they would have to go down one tree and then climb up the next one. It is much easier and quicker for them to jump from one tree and fly to the next. The snakes can fly about 24 metres at ten metres a second. How do they do this? Scientists now know that the snakes put their bodies in the shape of an S and move very slowly. If the scientists hadn't used digital cameras to film them in slow motion, we might never have known this.

**A) Answer these questions:**

- 1- What is unusual about some of the snakes in Asia?
- 2- Why don't the snakes climb down one tree and climb up the next?
- 3- Why do you think that the scientists studied the snakes?

 c. what snakes eat      d. how snakes fly

**7) Read the following, then answer the questions:**

Hi Osama,

You told me to ask my father what problems he had had in his life. He said that when he was 20, he had an accident in the desert when he had driven all night. When he was 24, someone took all his money when he travelled to London. If he hadn't travelled to Brazil when he was 30, he wouldn't have been bitten by a snake and spent a day in hospital! So I asked him if he wished he hadn't done these things. "No, I don't regret anything!" he said. "Remember that it is not what you do that you regret, but what you don't do." I will remember that advice. Tell me what your father says!

Best wishes, Karim

**7- Write a paragraph of seven (7) sentences to a friend who wants to know about one of the following:**

### **Life today – life in the past**

In the past, life was different. People were poor and life was difficult, but they were happy. There wasn't a metro. There weren't lots of cars and tall buildings. There were small houses to live in, but, there was healthy food to eat. Life was healthy, clam and quiet. They had time to play. They had time to rest. They had time to sit and speak with one other. I think life in the past was happier than today

### **Smart phones**

The way that we use our mobile phones is changing. Now you can send texts or emails on a mobile phone or tablet. Social networking sites allow you to send messages to many people at the same time. This is very useful if you want to send messages to a group of people, for example, to your friends in a sports team or a book club. We can use them to transfer money to or from a bank or even to pay for things in shops. If someone wanted to have the latest technology, they could buy a smartphone.
